

Our Mission... Your Future!

Bachelor in Digital Journalism

Major in
Digital Communications Management

Licensed by
Florida Department of Education
Commission for Independent Education
License #3180

PROGRAM DESCRIPTION

The structure of the course facilitates the acquisition of the knowledge necessary to interpret the current environment in which communicators develop their task, take advantage of consumer transformation to benefit the dissemination of the corporate message and put the focus on legal, ethical and management issues of the business. The student will know the techniques of digital analytics of campaigns to be able to add value to their professional task and explain the results to the management team for decision making.

GRADUATE PROFILE

Is a professional with skills to understand the successful and effective dynamics in digital spaces, applying the basic principles of strategic planning in the development of a digital project contextualized in business plan models and with skills to identify the real requirements of audience, traffic, interaction, technical aspects, content and profitability.

UNDERGRADUTE ENTRY REQUIREMENT

• High-school graduates (High-school):

Applicants who have completed High-school or secondary education in or outside the USA.

• Undergraduates:

Applicants who completed a bachelor degree issued by national or foreign higher-education institute who want to get academic credit for previous studies.

ADMISSION REQUIREMENTS

- High school diploma issued by a national or foreign educational institution.
- Bachelor or Associate Degree from a national or a foreign higher-education institution for those who want to get credit transfer for recognition of previous studies from other universities.
- Official transcripts (for graduate applicants and for those who require academic credit transfer for previous studies from other national or foreign higher-education institution).
- Valid identification (citizen ID or passport for foreign citizens).
- Admission and registration fees receipt.

IMPORTANT NOTES

- Official transcripts and degrees issued by foreign university education institutions must have the corresponding legal translation (this requirement has to be processed by the applicant).
- Official transcripts and degrees issued by foreign university education institutions must have the certification issued by a credential evaluation agency accredited in the United States for recognition of international education qualifications (this process is managed by FGU).
