### PROGRAM DESCRIPTION

Program designed for professionals of diverse disciplines who wish to improve their knowledge and business skills for a better performance in a globalized world market. This graduate course emphasizes the management of corporate finance and investment management, as well as global financial management.

### GRADUATE PROFILE

This master's degree program in Finance is designed for practitioners from a wide range of professional areas who want to undertake part-time studies that allow them to move forward or improve their business career. The student explores critical processes business, and conduct in-depth studies in business areas of high demand. The courses are designed by experts from some of the most prestigious institutions, and are structured in such a way that students learn by applying the contents of the courses directly to real-life challenges that they encounter in their place of work. Each course connects the academic with the practical to the skills that they can put into practice immediately.

### UNDERGRADUTE ENTRY REQUIREMENT

#### • Undergraduates:

Applicants who completed a bachelor degree issued by a national or foreign higher-education institute.

#### • Not completed studies:

Graduate applicants who did not complete a master degree program and have official transcripts from studies issued by national or foreign higher-education institution who want to get credit transfer for recognition of prior learning from other universities.

### ADMISSION REQUIREMENTS

- Bachelor degree issued by a national or a foreign higher-education institution.
- Official transcripts (only for applicants with prior uncompleted master degree studies who require academic credit transfer from other national or foreign higher-education institution).
- Valid identification (citizen ID or passport for foreign citizens).
- Proof of admission and registration fees payment.

### IMPORTANT NOTES

- Official transcripts and degrees issued by foreign university education institutions must have the corresponding legal translation (this requirement has to be processed by the applicant).
- Official transcripts and degrees issued by foreign university education institutions must have the certification issued by a credential evaluation agency accredited in the United States for recognition of international education qualifications (this process is managed by FGU).
